

Sharing Your Experience

Virtual Field Trips

You used the Virtual Field Trip Questions to record your impressions of your site visits. Now use your responses to these questions to write a summary of the activity. Here are some thoughts to guide you in writing your summary. Post your summary to the virtual reference training listserv.

- **What were your overall impressions, as a patron, of the sites that you visited?**
- **Which of the three sites did you think was the most user-friendly? Least user-friendly? Why?**
- **What positive feedback would you give to the staff who designed the sites? What improvements would you suggest?**
- **As a patron, did you discover anything new or unexpected?**
- **What did you observe that you want to remember in planning and implementing your virtual reference service?**
